PRESS COMMUNIQUE.

The Bank of Mysore Ltd., was started under the auspices of the Mysore Government in the year 1913, and within the comparatively short period of a decade the institution has thanks to the efforts, care and vigilance of the Directorate and the Management and the co-operation of the public, justified the expectations formed of it and succeeded in attracting a substantial share of the savings of the people and affording banking facilities on a large scale in the Cities of Bangalore and Mysore and also in some of the mofussil towns. The general economic interests of the country render it necessary and desirable that the Government and the Bank should work together and in view of this consideration, it has been deemed desirable to place the relations between the Government and the Bank on a firmer and more intimate basis than was possible in 1913. The authorities of the Bank cordially agree in this view, and as the result of negotiations between the Bank and the Government, the future relations between them have been defined and the general lines on which their association should grow more and more intimate in the future have also been laid down. The business of the Government to be entrusted to the Bank from time to time and the conditions under which it has to be performed by the Bank will be regulated by agreements entered into by the two parties.

The principal points agreed to by the Bank are :—

(*a*) To obtain the approval of the Government to the appointment of the President of the Board of Directors.

(*b*) To appoint duly qualified Banking Experts as the Manager and the Deputy Manager, with the approval of the Government, to manage its affairs.

(*c*) In addition to the Auditor appointed by the Shareholders, the Government to appoint an Officer to audit the accounts of the Bank yearly or oftener.

(*d*) Not to lend money on the security of immoveable property except as collateral security.

(*e*) Not to engage in foreign Exchange Operations.

The Government on their part agree to :—

(*f*) Maintain a Current Account in the Bank.

(*g*) Entrust to the Bank the work relating to Government payments and investments in India, whenever possible.

(*i*) Empower the Bank to draw Supply Bills on Treasuries, and to receive amounts tendered by the Public at all District and Taluk Treasuries for remittance to the Head Office of the Bank.

(*j*) Authorise the Bank to pay interest on the Mysore Government Loans.

(*k*) Maintain the original deposit of ten lakhs in the Bank for a further limited period.

(*l*) The gradual transfer of Treasury and Public Debt work to the Bank.

(*m*) The currency of the first Agreement under the new arrangement to be for a period of five years.

By Order,
M. N. KRISHNA RAO,
Financial Secretary to Government.
